Gate 2 Phase 1 – GSP Update Webinar

30 July 2026

Housekeeping

Microphones

Microphones have been set to 'mute' for this session. This is to minimise background noise for all attendees.

Have a question or piece of feedback?

Please use the Q&A button, located at the top of your screen, to send questions to our team. We will answer as many as we can during the session.

Session Recording

We are recording our presentations and responses to any questions for sharing through our website.

Session follow up

We will share the presentation, including Q&A, as soon as possible after this session through our website:

<https://connections.nationalgrid.co.uk/connections-reform/>

Additional Gate 2 Phase 1 webinars

If you have projects in multiple GSP batches, please look out for invitations to those webinars. They will be sent to you by email.

Next Steps

Curtailment reports

Our team is currently producing the Curtailment Reports which will form part of your Gate 2 Phase 1 Variation Offer where required

Internal assurance

We will review the full contents of your offer, ensuring that it is as accurate before issuing

Issuing your offer

Once we have reviewed your offer, we will send it to you by email and DocuSign. We expect this to be in the next two weeks; we will proactively let you know if this changes for any reason.

Customer signing

You then have 30 calendar days to sign and return your offer. You will need to use DocuSign to do this.

Questions?

If you have any questions about the content of your offer, please contact the Connections Reform team, using the details accompanying that offer.
