The central elements of the Protocol are:

A shared commitment to act efficiently and speedily with the aim of completing as many new connections matters as possible within 50 days of Geldards being instructed.

B

As part of the above commitment, agreeing to be measured against the performance standards below

> Geldards to action and allocate new instructions within 2 days of receipt

Our customers lawyers to reply to Geldards initial letter/email within 5 days of receipt

3

Our customers lawyers to reply to Geldards land ownership queries within 10 days of receipt

Geldards to issue progress reports (see below) within 2 days of day 20 in 80% of cases

Geldards to sign documents under NGED Power of Attorney within 2 days of issuing final versions

Our customers to sign and return final version documents to Geldards (via their lawyers) within 10 days of receipt. 0

Monitoring progress of matters by means of a progress report issued 20 days from Geldards being instructed to enable our customers, their lawyers, us and Geldards to assess the case status by reference to the performance standards and identify what remains to be done to achieve the 50 days completion target.

D

Identifying land ownership issues at an early stage by Geldards issuing a land ownership requirements checklist at the outset and re-issu- ing it at 20 days intervals as an aide-memoire for any outstanding requirements.

E

Geldards implementing document signature touch points to highlight to customers lawyers the within 10 days performance standard for signing and returning final documents, firstly, when they are issued for signature, secondly, when they have been signed by Geldards and, thirdly, if they have not been signed and returned within that period.

F

Providing online access to Geldards case management system so that our customers, their lawyers and any independent connection providers instructed by our customers can track the progress of their matters.
